## "ROCK STAR"

This rock beat is easy to learn – and it's been played by some great drummers on countless hit records! The right hand will play steady beats on all four counts while you alternate between bass drum and snare drum beats.

Start slowly and count out loud as you play. Practice the groove over and over until you can play with steady relaxed strokes. After you can get a consistent sound and feel, try playing it with the play-along track.

HI-HAT	X	X	X	X	X	X	X	X
SNARE		●		●		●		●
BASS DRUM	●		●		●		●	
Count:	1	2	3	4	1	2	3	4

WHAT you play is not as important as HOW you play it. Even a simple groove like this, played in perfect time with conviction and a great sound can be all that a song needs to make the band sound great!
